

ResuMAYDAY's Recommendations to assist you with your job search:

Lauren Milligan, Résumé Expert at www.ResuMAYDAY.com
630/836-9910 • Lauren@ResuMAYDAY.com

The ResuMAYDAY Facebook Page

Sign up to receive tons of career networking events, coaching seminars, advice and insider secrets. For example, I recently posted my #1 interview tip. Want to read it? Do a Facebook search for "ResuMAYDAY" and become a 'fan'!

The Weekly Radio Show

Want to hear a friendly and familiar voice giving you more career advancement advice? Listen to *me* on the "Livin' the Dream" radio show online at www.mydreambiz.net. Click the "ON AIR" link to listen live (every Tuesday, 12:00 pm, CST) or click on "Radio Show" to replay the archives. The show format is a lively and engaging discussion between three experts in three different business categories. It's the perfect background audio while you are researching for your next employer! My brilliant co-hosts are Leo Wisniewski (Franchise Ownership) and Jeff Bishop (Business and Personal Marketing). Give us a listen! Would you like to hear my insights on **the first steps you should do in your career search**? Download my show from June 10, 2008. Here's the link to see all the past topics: <http://mydreambizarchives.blogspot.com>. Sign up for show updates, guest information and extremely useful tips on business ownership, career advancement or financial advice through our newsletter at www.mydreambiz.net. Submit a question to be answered on the air at LTD@MyDreamBiz.net.

Job Postings in the Chicagoland area

For my local clients, I highly recommend David Carman's online Yahoo group, BNC (**Business Network of Chicago**). Send an email to BNC_Jobseeker-subscribe@yahoogroups.com to receive a daily digest of postings that include job leads, career advice and networking opportunities. **For those outside the Chicago area:** Find similar Yahoo groups in your city by searching here: <http://groups.yahoo.com/>

How To Create A Resume With Impact...Tell The Story Behind The Story!

Create a WOW Summary Statement:

Words To Avoid:

2 Questions Exercise:

Create Your LinkedIn Profile:

Prioritize and Organize Your Information with the A/B/C/D Exercise:

Creating Bullets With Impact:

Dealing with crisis situations • Handling tough interpersonal situations (Don't be negative about your employer or colleagues) • Juggling lots of priorities (and of course, saving the day) • Changing course to deal with changed circumstances mid-stream • Working with a difficult client (internal or external) situation • Cost-saving or financial astuteness • Examples of successfully learning from a mistake • Successfully working on a team – make sure to define your role within the team • Dealing with a lot of uncertainty (Trouble in the industry; company downsizing; competitors gaining market share; company getting bad press/media attention; any other unsettling shifts) • Building Revenue • Improving Efficiencies • Solving Specific Problems • Improving Company's Competitive Stance • Relationship and Brand-Building w/Company Stakeholders.
